Two More Jersey Cash 5 Winners Claim Big Prizes

TRENTON (April 27, 2017) – “I enjoy playing all of the Lottery games, especially the ones that win,” said Thomas Boyd of Cherry Hill, in response to his Jan. 29th Jersey Cash 5 jackpot win of \$428,464. Boyd plays a combination of unique personal numbers and Quick Pick tickets. His jackpot-winning Quick Pick ticket was purchased at Wine World Outlet, 10 Berlin Rd., in Voorhees.

Boyd checked the winning numbers that Monday while having his morning coffee. After taking a few moments to realize his amazing win, he immediately called up his son and then his sisters to share the good news.

When asked if he had any plans for his prize winnings, Boyd said he hasn't decided on anything specific yet. He mentioned paying off any current bills and putting the rest towards savings for the future.

Another winner, James Yancy of Monroe Township, hit the Jersey Cash 5 jackpot on Feb 1st, just three days after Boyd's big jackpot win. Yancy plays various Lottery games, celebrating many smaller wins over the years. His lucky retailer is Medicine Shoppe Pharmacy #1432, 337 Applegarth Rd., Monroe Township. In the three days since the previous win, the jackpot had rolled over to \$285,761.

When Yancy checked his ticket the day after the drawing, he wasn't sure he had actually won the jackpot prize. He showed the ticket to his partner, who checked the numbers on the Lottery website. After removing her glasses and checking again, she verified that all five numbers matched. The couple was so excited that they could barely sleep the next night, and showed up to Lottery Headquarters as soon as possible to claim their prize.

ABOUT THE LOTTERY

Since its inception in 1970, the New Jersey Lottery (NJLottery.com) has contributed nearly \$25 billion to the State in support of education and institutions.
