Two Times the Luck for this Jersey Cash 5 Player *Player Wins Jersey Cash 5 Game Twice*

TRENTON (Feb. 3, 2017) – Jersey Cash 5 is a popular game, with jackpot winners all over the state. Over 150 players were lucky enough to hit the Jersey Cash 5 jackpot last year. However, on November 7, 2016, James C. from Jersey City won the Jersey Cash 5 jackpot for the second time in less than a year.

James first won the Jersey Cash 5 jackpot on November 27, 2015, with a jackpot prize of \$613,104. His second win carried with it a prize of \$75,854. This brings his two-jackpot total to \$688,958. With his most recent winnings, James plans to help his fiancée create a dream wedding for her daughter.

James is a 30-year veteran ironworker and recently worked on the Oculus structure which canopies the new World Trade Center Transportation Hub. Every morning he stops on his way to work to pick up coffee and play the daily Lottery games. (<https://tinyurl.com/z8cr7ye>)

For those wondering his secret, James does not play any special or meaningful numbers, just some Quick Pick selections and the right amount of luck. The winning numbers from his 2015 jackpot were 07, 23, 29, 32, and 40. His new winning numbers were 11, 13, 19, 25 and 33. James' lucky retailer remains Quick Chek #124, 20-38 East 53rd St., Bayonne in Hudson County, where he plans to continue playing in the future.
